

SWGA NINER MEETING

JUNE 2, 2023 - 32 signed up, 33 in attendance

Purpose: Flush out issues, what's going well, what ideas, answer questions, not solve problems.

Friday Playdays

- Not enough T times. Judy to review. _
- Alternate 18/9 T times working well
- Working on transition of 5'ers to regular play, communication, pairing with regular
- Communicate when new sign-up sheet is posted. Board will update procedure and share with members.

Wednesday Playdays

- Crossover 18/9 still OK except if GROSS game. Then 18s may not participate. _
- Concern expressed about how early 9ers have to be onsite on Wednesdays when tee time is sometimes an hour away. Possible solutions discussed. Judy will finalize.
- Most like variety of games and felt fairness of payouts was fine
- K. Hernacki expressed concern about the difficulty playing competitive games - P. Gardner, explained our goal is for "lightly competitive games"
- "Just Play Golf" was emphasized regardless of the game. Wednesday is not the time to work on your golf skills.
- We will be moving to threesomes to help pace of play
- Members are to play from red tee markers, regardless of location, in fairness to all participants. _

Tournaments/events

- Right amount having once a month
- Question: why do Niners pay same fee as 18? Payouts are the same.
- Lunches are working good, no dislikes
- Update on Par 3 For Pink - planning in process, communication upcoming
- Championship Tournament: Suggestion made that tournaments which include Friday should be included in the Tournament eligibility requirement. Player must still have five eligible rounds. Peggy to make changes.

Miscellaneous

- General agreement that having a Niner representation on the Board is important and, ideally, should be included in the Bylaws to ensure representation. Ideas presented included a separate position or a liaison. Preference that the position is a voting member was made. The Board will review.

SWGA

- Members were asked to describe purpose of SWGA - friendships, golf, structure, similar interests, voice to SCP, women represented. Without leadership the organization would not exist. Members asked to evaluate how they can help.

Prep for next year

- Nominating Committee volunteers: Linda Rosser, need two more

Miscellaneous

- Yolie Ferman suggested we have SWGA Golf shirts for members to purchase for a Par 3 for Pink tournament fundraiser. Yolie to followup.
