

SnowFlow Key Points:

1. We have high quality customer service and communication

2. We treat our customers like they are family.

3. We are loyal, honest and work with integrity. We do not sell you something you don't need. Check out our reviews on our fb page SNOWFLOW HEATING & COOLING or our website can take you there as well. <u>www.snowflowhvac.com</u>

4. We offer maintenance plans to extend the life of your hvac unit. With that comes peace of mind and priority service status
